

# A CHOICE SELECTION OF UNITED STATES TYPE COINS — Part 1

## IMPORTANT!!!

Those of you who have ordered from us in the past know how carefully we grade our coins—if a coin is marked XF—it is XF. Ch BU is just that—Ch BU. Every coin in this ad is guaranteed to grade exactly as advertised, or your money will be refunded immediately.

Please take a few minutes of your time to look over this ad—many of the choice BU and Proof coins were recently purchased in a collection that had been put away many years ago. Please try and list second choices whenever possible as most items are one-of-a-kind.

Sincerely, Bob & Foxy

# START THE NEW YEAR RIGHT

Please take a few minutes of your time to look over the many coins offered in this ad—I purchased many of them on my last trip overseas. Especially please note the large offering of early bust dollars. I'm sure you will be satisfied with both the prices and grading of the many coins offered. We would appreciate it if you would list a second choice as most of the coins on this page are one-of-a-kind. We would like to take this opportunity to thank all the people who have done business with us during the past year. We appreciate all orders—both large and small—and we will try to give the same fast service and quality this coming year.

Sincerely, Bob & Foxy
